

GET LIT! Ignite Your Literary Soul

6th Annual Literary Festival

September 19-22, 2024

Each year, the Corazón de Trinidad Creative District brings a group of professional writers to lead workshops in which they share their art, professional insight and literary experience with creative writing. Festival events will include open mics for writers to share their work and workshops for all levels. To support our local youth, we bring writers into our schools to work with youth at zero cost to the school. Additionally, all festival workshops are free for students of any age.

This year we are adding a fundraising dinner that will feature presentations and a silent auction. The dinner will fund Corazón de Trinidad Creative District operations and events at large. The goal of the creative district is to economically support local creative industries. Your sponsorship will help us continue our mission to assist local artists and arts organizations, to host free events for the public, to create an artist membership program and to provide membership benefits.

September 22, Sunday
9:30a-12:45p - Workshops

The Corazón de Trinidad Creative District (CTCD) is a non-profit organization that supports the Trinidad Creative District, a region that contains creative organizations and entities in the heart of Trinidad. The CTCD supports artists and entrepreneurs through creative initiatives which economically benefit the community, hosts unique creative events at The Commons @ Space to Create and also promotes art and cultural events in Trinidad and surrounding areas.
