

GET LIT! Ignite Your Literary Soul

8th Annual Literary Festival & Fundraising Event

September 18-20, 2026

Discover the Creative Spirit of Trinidad!

Each year CREATE Trinidad hosts inspiring workshops led by professional writers. These talented authors share their craft, insights, and literary experiences, offering opportunities for writers of all levels to learn and grow. The festival also features an open mic night where writers can share their work, and all workshops are completely free for students of any age. We're passionate about supporting our community, especially our local youth. That's why we bring writers into schools at no cost, giving students a chance to connect with talented writers and nurture their own creativity. Our goal is to ignite your creative fire.

During our Keynote & Kick-off celebration, we host a silent auction in conjunction with the evening's programming. We are collecting donations of items for silent auction. The silent auction serves as a fundraiser for CREATE Trinidad.

Your sponsorship and/or silent auction donation will directly support our mission while creating visibility for your business both in our community and beyond.

For more information on perks and benefits, keep reading!

CREATE Trinidad

is a non-profit that
supports Trinidad's
creative district which

contains creative organizations and entities in the heart of Trinidad. Our mission is to generate creative wealth and economic prosperity by harnessing the passion of the creative community and celebrating our cultural heritage.

The best silent auction items tend to be items. While gift cards are wonderful, a lot of our guests are from out of town. We appreciate all of your support.
